An Appeal for Covid 19 Relief

Respected Devotees and well-wishers,

The impact of the second wave of Covid-19 pandemic has been severe in our country. We are in the midst of a crisis, facing shortage of safe homes, food, oxygen & medical supplies, PPE kits, ambulance service etc.

At this juncture, Ramakrishna Math, Bolpur feels a deep and urgent urge to serve humanity. We are desperately looking for ways to be of service to the society during this pandemic.

Accordingly, we perceive that there is a severe shortage of Oxygen cylinders and we have thought of procuring some Oxygen cylinders and a couple of Oxygen concentrators to lessen the ordeal of the distressed. Also, we learnt that ambulance providers are charging exorbitant charges from the people for transporting Covid patients as there is a severe shortage of ambulances. In this regard, we thought of purchasing a used ambulance. Moreover, in the next phase we have thought of providing food to the distressed and needy.

It will be immensely helpful if you kindly help us so that we shall try our level best to serve the society and alleviate suffering of people, at least to some extent. We earnestly appeal to our dear devotees and benevolent well-wishers for generous contributions so that we can help those engaged in the battle against COVID-19 pandemic.

Donations may be sent to our following bank account:

Account Name: Ramakrishna Math Bolpur
Account Number: 39485693152
Bank Name & Branch: State Bank of India, Bolpur
IFSC : SBIN0002027
